Walter Constructions Group Pty Ltd

02 February 2005

Walter Constructions Group Pty Ltd (BSA licence number 23629), one of Australia's largest commercial and civil builders was last night placed into voluntary administration following the collapse of its German parent company.

The German parent company Walter Bau Aktiengesellschaft (licence number 700528) also went into external administration in Germany.

The BSA will work closely with the administrators to get the best return for creditors.

Korda Mentha, insolvency practitioners are the administrator's out of Sydney. Queensland creditors can contact Korda Mentha Brisbane on 3225 4900.

The first creditors meeting will be held on February 8 2005.
